

## Thanks for helping **Professor Fineous Mildewheimer** at this fun event!

If you would like the Professor to perform at your event, contact Jack Palur at (440) 949-1047 or E-mail him at [JackPalur@Centurytel.net](mailto:JackPalur@Centurytel.net).

Here are a couple of magic tricks you can do at home. Remember: practice before you show someone these tricks and keep how it is done a secret! Magic is a great hobby, so enjoy!

### **Magic Trick #1 - Vanishing Coin**

**Effect:** The magician shows a glass, upside down, and a coin on a sheet of colored paper. He puts a handkerchief over the glass and moves it over the coin. He pulls the handkerchief off and Abracadabra! The coin has disappeared!

**Supplies:** A sheet of construction paper (1), a clear glass, a handkerchief and a coin.

**Preparation:** Trace the glass onto the sheet of paper and cut the circle out. Then tape or rubber cement it to the glass so when you put it onto a piece of paper the same color it blends in. (Have parents supervise use of scissors and/or glue!)

**Secret:** When you do the above put the glass onto a piece of paper and just basically move the paper covered glass over the coin while the whole thing is under the handkerchief so the glass covers the coin. Pull off the handkerchief. The coin will have "disappeared!"

### **Magic Trick #2 - Vanishing Cup**

**Effect:** Magician makes a cup disappear!

**Supplies:** Paper or plastic cup, paper towel, a coin, and a hard surface.

**Performance:** Place the cup over the coin and cover the cup with the paper towel. (The audience should be on the opposite side of the table and you should be sitting.) Lift up the cup and make the audience concentrate on the coin. While they are not looking, drop the cup on your lap still holding the paper towel, which should be in the shape of the cup. Fake like the cup is still under towel. Place the cup back on the table. When you have the audience's attention, smash down the cup and drop the cup from your lap to the floor. Show the audience that there is no hole in the table and the coin is still there. Smile!

### **Magic Coupon!**

#### **10% Off One Performance!**

Cut this coupon out and use it for a future booking of Professor Fineous Mildewheimer!

Call (440) 949-1047

One coupon per household. Good for one, standard, 45 minute performance. Not good with any other discount or other offer. Expires 01/01/09.
